

## **Child Mental Health Green Campaign**

The Garrett County Child and Adolescent Wellness committee members are requesting your assistance. As a Garrett County daycare provider, you are invited to participate in the upcoming Child Mental Health Campaign. Your contribution to this important project may assist children and families to learn how to talk to their child(ren) about emotions. You may consider including your own activities and ideas or you may take advantage of the already developed materials such as: sign a pledge to stop the stigma about Mental Health; display a poster, window cling, or bow; hand out activity sheets, etc. To request a tool kit, please contact Jennifer Lee-Steckman at 301-334-7772 or [Jennifer.Lee-Steckman@Maryland.gov](mailto:Jennifer.Lee-Steckman@Maryland.gov).
